ABOUT KEY SOLUTIONS

Key Solutions is a full-service consulting firm that helps companies win government contracts across the federal, state, and local opportunity lifecycles.

Our Trademarked Process

The KSI Advantage™ Approach is a set of capture and proposal best practices, tools, and agile methods. For every engagement, our team implements industry best practices, including our KSI Advantage™ Approach to deliver a superior product for our clients. 

Core Competencies:

Our team provides strict attention to detail, project management, and excellent customer service to deliver a proposal that is on time, on budget, competitive, and persuasive. We provide highly skilled consultants as a full turnkey team or single resources related to the following services:

- + Proposal Development
- + Capture Support
- + Market Assessment
- + Orals Coaching
- + Business Development
- + Design, DTP, and Production
- + Training for Proposal Development and Capture
